Vertical Spot and Oblique Images – Add \$150 to the prices above for 4 oblique images of the site looking north, south, east and west.

These prices are for sites in Los Angeles and Ventura Counties. A mileage fee will be added to sites in other counties.

Additional charges will apply for sites that require an air traffic control Class B clearance, and for sites requiring flight higher than 10,000 feet above sea level.

Prices will be discounted when multiple sites are ordered that can be photographed on the same date. Discounts will also be applied to scheduled periodic shots of the same site.

These prices are for images in a digital file format and delivered via FTP. Sales tax and other fees apply for CD/DVD delivery and for printing services
